- (d) a provision of these Terms is not to be construed adversely against a party solely on the ground that the party or its solicitors were responsible for the preparation of these Terms or of a particular provision of these Terms.

2. Acceptance of Terms

2.1 In completing and submitting the Application specified in clause 3.1 below to the Company, the Housing Provider:

- (a) represents and warrants that it has authorised the Authorised Person to submit the Application to WelcomeMat on the Housing Provider's behalf;
- (b) confirms that it has read and understood these Terms and the Privacy Policy; and
- (c) confirms that it agrees to be bound by these Terms and the Privacy Policy.

3. Application

3.1 In order to access and use the Service, a prospective Housing Provider must submit an application ("**Application**") to the Company via the Service.

3.2 The Company's online application process will require the Housing Provider to provide information in relation to its provision of Affordable Rental Housing and related services, and a copy or link to the Housing Provider's privacy policy.

3.3 Normally, the Company will only consider Applications from:

- (a) government entities and not-for-profit organisations that provide or manage Affordable Rental Housing, such as community housing providers; and
- (b) National Rental Affordability Scheme (NRAS) approved participants and their appointed property managers.

The Company may, at its absolute discretion, allow a private property owner or developer (and their property managers) to advertise rental properties on the Website (subject always to its right to withdraw the approval at any time thereafter and terminate the agreement after 10 Business Days' notice and end the Service to that party). For the sake of clarity, a not-for-profit community housing provider that manages Affordable Rental Housing on behalf of a private property owner or developer falls within the description of clause 3.3(a).

3.4 The Company will endeavour to review Applications within two (2) Business Days of receipt of a fully completed Application and as soon as practicable thereafter notify the Housing Provider by email as to whether the Company accepts the Application and approves the Housing Provider to use the Service.

3.5 If the Company accepts the Application, the Company will grant the Housing Provider access to the Service and the Website in accordance with these Terms. The Company will notify the Housing Provider of its acceptance or non-acceptance of its Application via email sent to the email address provided by the Housing Provider in its Application. Key commercial terms that apply to Housing Provider's use of the Service, such as Listing term and pricing, and information relating to Housing Provider's WelcomeMat Account will be included in the acceptance email.

3.6 For the sake of clarity, if the Housing Provider was (at the date of approval) a not-for-profit organisation that provides or manages Affordable Rental Housing, or a NRAS approved participant or its appointed property manager, but subsequently

ceases to be any of these, then the Company may, in its absolute discretion, terminate the agreement between the parties and the Housing Provider will thereafter not have access to the Service. The Housing Provider must notify the Company within 10 Business Days of the Housing Provider ceasing to be within the categories listed above.

4. The Service

4.1 The Service has the following primary features:

- (a) it allows Housing Providers to submit Listings for publication on the Website;
- (b) it allows Housing Applicants and other Website users to search for suitable Listings and to view available details of particular Listed Properties and for Housing Applicants to complete and submit a Housing Application in respect of a particular Listed Property;
- (c) it forwards completed Housing Applications to the relevant Housing Providers for assessment;
- (d) it enables Housing Applicants to monitor the progress of their submitted Housing Applications;
- (e) it enables Housing Providers to manage and shortlist submitted Housing Applications and communicate with Housing Applicants in respect of such Housing Applications; and
- (f) such other capabilities as the Company may make available to the Housing Provider from time to time.

5. Provision of the Service generally

5.1 The Company shall provide the Service:

- (a) using reasonable skill and care; and
- (b) in accordance with any applicable laws.

5.2 The Housing Provider acknowledges and agrees that:

- (a) the Service is intended to support the Housing Provider's existing business operations only and should not be used, or relied upon, as a replacement or a substitute for any existing services or business operations that are used by the Housing Provider;
- (b) the Company is not responsible for managing the Housing Provider's portfolio of Listed Properties or for assessing Housing Applications;
- (c) it may only use the Service and Website in accordance with these Terms;
- (d) all rights, title and interests in the Service not expressly granted or licensed to the Housing Provider in accordance with these Terms are reserved to the Company;
- (e) it does not have any exclusivity in relation to the listing of properties on the Website;
- (f) it will make its own independent assessment of the eligibility of Housing Applicants that submit Housing Applications for its Listed Properties via the Service and rely on its own enquiries and investigation, and not rely on the data provided by the Company to the Housing Provider as part of the Service when making such assessments;
- (g) the Company is not responsible for verifying information provided by Housing Applicants or for ensuring that Housing Applications are properly or fully completed or that they are completed accurately or truthfully;
- (h) it will delete from its files, records or database any Personal Information and Sensitive Information it has obtained from unsuccessful Housing Applicants via the Service after the Listed Property has been allocated to the successful Housing Applicant. For the sake of clarity, if none of the Housing Applicants referred to the Housing Provider via the Service is allocated the Listed Property during the term of the Listing, then all of them are deemed to be unsuccessful Housing Applicants for the purposes of this clause 5.2.

5.3 Unless otherwise expressly stated to the contrary in these Terms, the Company may update, upgrade or patch the Website and the Service from time to time without notice or liability to the Housing Provider.

5.4 In relation to the Service, the Housing Provider must not, directly or indirectly:

- (a) use the Service and/or the Website in a way that is, in the opinion of the Company, deemed to be excessive or unreasonable having regard to the purpose for which the Service and/or the Website are provided to the Housing Provider and the Company's other customers;
- (b) reverse-engineer, decompile, translate or disassemble the Service;
- (c) bypass, or attempt to bypass, any security features of the Service and/or the Website, or introduce, upload or transmit any Harmful Effects to the Service;
- (d) copy, reproduce, distribute, publish or otherwise use the Service and/or the Website in any manner or for any purpose not expressly authorised by these Terms;
- (e) provide any third party with access to the Service and/or the Website other than as expressly permitted under these Terms;
- (f) present properties as Listed Properties on the Website which are not owned, controlled or managed by the Housing Provider;
- (g) retain copies of the names and contact details of unsuccessful Housing Applicants that have submitted Housing

Applications via the Service in respect of a Housing Provider's Listing, after such Listing has been successfully tenanted by the Housing Provider, for the purpose of securing tenants for the Housing Provider's other properties. For the avoidance of doubt, Housing Providers are required to submit a new Listing on the Website if they wish to advertise or offer such other properties to Housing Applicants sourced through the Service, and retaining Personal Information and Sensitive Information such as the names and contact details of unsuccessful Housing Applicants for the purpose of offering such applicants alternative rental properties is a breach of the Company's Privacy Policy and contrary to Australian Privacy Principles.

- (h) challenge or repudiate or take any action to impair, prejudice or diminish the Company's Intellectual Property Rights in the Service;
 - (i) remove or interfere with any copyright or trade mark notices contained within the Service and/or the Website and/or in any materials made available to the Housing Provider via the Website;
 - (j) demonstrate the Service and/or the Website for the purpose of engaging a person to replicate the functionality or features contained in the Service;
 - (k) modify any documentation, manuals or other materials provided or made available by the Company in relation to the Service; or
 - (l) upload anything that is offensive, obscene or defamatory (upon which the Company may remove from the Website by the Company without notice to the Housing Provider).
- 5.5 The Housing Provider must immediately notify the Company in writing of any breach or alleged breach of any rights, including but not limited to the Company's Intellectual Property Rights, in or to the Service and/or the Website by any third party of which the Housing Provider becomes aware and cooperate with the Company in relation to any investigation or action that the Company takes, or seeks to take, to protect or enforce its rights. The Housing Provider must also immediately notify the Company if it becomes aware of a breach or potential breach of security protocols relating to the Service, including the introduction of any Harmful Effects, and promptly follow any instructions from the Company to rectify the relevant breach or introduction of the Harmful Effects and/or to mitigate its effects.
- 5.6 The Housing Provider must comply with the directions and instructions of the Company in relation to the use of the Service, and follow any instructions of the Company to enable the Company to protect against the unauthorised access and use of the Service and/or the Website by a third party.
- 5.7 For the avoidance of doubt, the obligations and restrictions on the Housing Provider under this clause 5 are essential terms of these Terms and entitle the Company to exercise all rights that are available in respect of a breach of an essential term as construed under the general law.

6. Housing Provider Obligations

- 6.1 The Housing Provider must:
- (a) except as otherwise provided in these Terms, procure or arrange for the provision of goods and services by any affiliates, at its own cost, for the purposes of using the Service, and comply with any technical requirements and instructions given to it by the Company in that respect;
 - (b) secure and back-up its Housing Provider Data if it deems that to be necessary or appropriate, regardless of whether such Housing Provider Data has been stored, transmitted or uploaded to the Service and/or the Website or otherwise provided to the Company;
 - (c) ensure that usernames and passwords used in relation to the Service are stored in a secured manner at all times and are only disclosed to Authorised Persons;
 - (d) provide the Company with sufficient information, including rental property details and Housing Provider Data, within the Housing Provider's possession or control which is reasonably required by the Company for the purpose of the performance of these Terms, including to satisfy the Company that none of the Listings are for a rent that is not at least 20% below market rent;
 - (e) make available to the Company, on reasonable notice, for consultation and guidance staff who are familiar with the Housing Provider's organisation, operations and business practices to the extent reasonably necessary for the performance of these Terms;
 - (f) ensure that each and every Authorised Person must comply with any and all terms and conditions in these Terms that governs the access to and use of the Service (the "Pass-Through Provisions"), including the matters in clauses 5 (Provision of the Service generally) and 9 (Privacy and Confidentiality); and
 - (g) ensure that its Authorised Persons manage its WelcomeMat Account and Listings in a professional manner, including reviewing Housing Applications in a timely manner, responding to questions from Housing Applicants and accepting or not accepting Housing Applicants as successful tenants within reasonable timeframes.

The Housing Provider also acknowledges that the Company does not promise that the Service will be free of Harmful Effects and agrees that the Housing provider is responsible for its own cybersecurity (including anti-virus software) in connection with using the Service.

- 6.2 The Housing Provider must not:
- (a) use the Service in any manner that violates any person's right of privacy or confidentiality, including by way of collecting Personal Information and Sensitive Information about a third party, including Housing Applicants, without obtaining their consent;

- (b) infringe, or risk the infringement of, the Intellectual Property Rights or moral rights of another person;
- (c) erase or falsify any information or data, including Housing Provider Data;
- (d) discriminate against, defame, slander or undermine the good name of another person, including the Company or facilitate, assist or encourage such conduct by a third party;
- (e) discriminate against Housing Applicants on grounds or in a manner that is not legally permitted; or
- (f) compel another person to perform actions or make omissions proscribed by these Terms.

6.3 For the avoidance of doubt, any acts or omissions of an Authorised Person in relation to or in connection with the Service will be deemed to be the acts or omissions of the Housing Provider for the purposes of construing these Terms, and a failure by an Authorised Person to comply with any of the Pass-Through Provisions will be deemed to be a breach of the relevant term or condition of these Terms by the Housing Provider.

7. Payments & Invoicing

7.1 After the Housing Provider has been granted access to the Service pursuant to clause 3.4 above, the commencement of Housing Provider's use of the Service constitutes the Housing Provider's acceptance of, and agreement to pay, the Service Fees as required under these Terms.

7.2 The Housing Provider must pay the Service Fees due to the Company, time being of the essence. The requirement to pay the Service Fees within the time limit(s) as set out in these Terms is an essential term of these Terms and entitles the Company to exercise all rights that are available in respect of a breach of an essential term as construed under the general law. The Company will invoice Housing Provider on a monthly basis and all Service Fees due and payable by the Housing Provider under these Terms must be paid within fourteen (14) days of receipt by the Housing Provider of the Company's invoice.

7.3 The Housing Provider's obligation to pay the full advertising fee set by Company for a Listing arises at the time the Listing is first displayed on the Website. For the avoidance of doubt, if a successful Housing Applicant is identified by the Housing Provider for a Listed Property before the full term of the Listing, Housing Provider is still required to pay the full advertising fee for the Listing.

7.4 If the Housing Provider disputes any invoice (or part thereof), it must provide written notice thereof to the Company within seven (7) days of receipt of the relevant invoice, including an explanation of the dispute, and the parties shall, in good faith, attempt to resolve such dispute as soon as reasonably practicable. Nothing in this clause exempts the Housing Provider from paying the disputed invoice (or the disputed portion of such invoice) during the period of such dispute.

7.5 If an invoice has been issued to the Housing Provider, and the Housing Provider has failed to pay undisputed amounts in such invoice within the relevant date for payment, then in addition to any other rights the Company may have under these Terms, interest shall be chargeable by the Company on such late payment by the Housing Provider, and such interest rate shall be three (3) percent per month above the applicable cash rate for that period as published by the Reserve Bank of Australia from time to time and shall be compounded daily from the date for payment.

7.6 The parties acknowledge and agree that:

- (a) unless otherwise expressly stated in these Terms, the consideration due or payable for any supply of any goods, services or any other things under these Terms, including the Service Fees, has been calculated without regard to, and is exclusive of, any Sales Tax;
- (b) if any Sales Tax is imposed on any supply made under these Terms, the supplying party, the Company, may recover from the recipient party, the Housing Provider, in addition to any consideration payable for the supply, the amount of Sales Tax provided that the supplying party has provided to the recipient party an invoice; and
- (c) if the recipient party is required to pay any amount of Sales Tax in accordance with this clause 7 or in connection with any goods, services or any other things under these Terms, the recipient party will pay the amount of Sales Tax at the same time as the consideration is due for the supply of goods, service or any other thing under these Terms.

7.7 The Housing Provider agrees to pay the Service Fees in Australian Dollars by electronic funds transfer into the Company's bank account as notified by the Company from time to time.

7.8 All amounts due under or in relation to these Terms are non-refundable and shall be paid in full without any deduction, set-off or withholding other than as required by law and the Housing Provider shall not be entitled to assert any credit, set off or counterclaim against the Company in order to justify withholding payment of any such amount in whole or in part.

8. Housing Provider Data

8.1 The Company acknowledges and agrees that as between the Company and the Housing Provider, the Housing Provider is the legal owner of the Housing Provider Data provided by the Housing Provider, and the Company has no rights or interest in the Housing Provider Data other than as set out in these Terms for the purposes of providing the Service to the Housing Provider. The Company will endeavour to protect the security of the Housing Provider Data as required under these Terms to the extent that the protection of the Housing Provider Data is within the control of the Company. Whilst the Company may store and back-up the Housing Provider Data that is transmitted or uploaded onto the Website as part of an incidental process of providing the Service, the Service is not a general data storage or back-up service, and the Company is not required to extract or provide copies of the Housing Provider Data to the Housing Provider merely because of a request from the Housing Provider or it is convenient for the Housing Provider.

- 8.2 In relation to Housing Provider Data that is in the possession or control of the Company, the Company agrees, unless otherwise permitted under these Terms, not to:
- (a) use any Housing Provider Data other than for the purposes of fulfilling its obligations under these Terms;
 - (b) sell, let for hire, assign rights in or otherwise dispose of or exploit any Housing Provider Data; or
 - (c) alter the Housing Provider Data in any way, other than in the course of providing the Service;
- provided, however, the Company shall be permitted to use aggregated, anonymised data derived from Housing Provider Data submitted to the Company by Housing Providers to enable the Company to provide the Service, to create, prepare and build reports and databases for internal use by the Company or for external use by third parties for no charge or for fees to be determined at the sole discretion of the Company. For the avoidance of doubt, the use of data under this clause 8.2 includes (i) for purposes of marketing and promotion of the Company, and (ii) the collection and analysis of supply and demand data to assist with advocacy, town planning and increasing the supply of community housing.
- 8.3 In relation to the Housing Provider Data, the Housing Provider hereby warrants at all times that:
- (a) the Housing Provider has the necessary legal rights, consent, authority or permission in the Housing Provider Data to provide or make available the Housing Provider Data to the Company, to transmit or upload the Housing Provider Data to the Website and/or to use the Housing Provider Data with the Service;
 - (b) it will procure from a third party the provision of such Housing Provider Data to the Company as is reasonably necessary for the provision of the Service by the Company;
 - (c) the Housing Provider Data is, and will be at all times, accurate, correct, valid, truthful and reliable;
 - (d) the Housing Provider Data is suitable to be used with the Service;
 - (e) the Housing Provider Data will be provided in a form that is acceptable by the Company and/or as required by the Service; and
 - (f) the use of the Housing Provider Data with the Service will not infringe the rights of any third party or otherwise give rise to any liability to, or claims by, a third party.
- 8.4 The Housing Provider hereby acknowledges and accepts that it must exercise its own judgment in relation to the suitability or appropriateness of the Housing Provider Data that is provided to the Company for use with the Service, especially when using or choosing to rely on those matters.

9. Privacy and Confidentiality

Privacy

- 9.1 Where the Housing Provider Data contains Personal Information or Sensitive Information (together, "**Protected Information**"), and the Protected Information is created, uploaded, stored, or transmitted to, by or via the Service, or a copy of which is provided to the Company pursuant to these Terms, the parties must each take reasonable steps to protect that information in accordance with the "Australian Privacy Principles" as contained in Schedule 1 to the Privacy Act and any other applicable privacy laws related to the handling of Protected Information. Each party agrees to comply with, and ensure that its personnel (including officers, employees and subcontractors), comply with the requirements of this clause.
- 9.2 The Housing Provider must:
- (a) only collect, hold, use and disclose Protected Information obtained through the Service for the primary purpose of providing services in relation to the Housing Applicant's Housing Application or as otherwise expressly permitted by the Company or the Housing Applicant or as may be reasonably necessary to assess and respond to the Housing Applicant in relation to the Housing Application;
 - (b) as part of Housing Provider's Application, provide a copy of, or link to, the Housing Provider's privacy policy that is compliant with the Australian Privacy Principles to the Company, for the Company to make available to a Housing Applicant at the time that a Housing Applicant submits a Housing Application; and
 - (c) notify Company of any updates to its privacy policy and provide Company with a link to the updated privacy policy.
- 9.3 The Housing Provider undertakes to not use, copy, disclose, remove from the Service, or in any way deal with outside of the Service, Protected Information except as is directly connected with negotiating and facilitating the Housing Applicant entering into a residential lease with a housing manager or housing owner. For the avoidance of doubt the Housing Provider undertakes to not use, copy, disclose, remove from the Service or in any way deal with outside of the Service Protected Information of Housing Applicants who apply for but are not successful in their Housing Application.
- 9.4 Further in relation to the Privacy Act:
- (a) the Housing Provider must comply with the obligations set out in Part IIIC (Notification of Eligible Data Breaches) of the Privacy Act in relation to the Protected Information, including the obligations to prepare a statement about an **eligible data breach** under Section 26WK of the Privacy Act and the notification requirements under Section 26WL of the Privacy Act, and provide timely reports to the Company in that respect;
 - (b) to the extent the Company is aware that there are reasonable grounds to suspect that there may have been an eligible **data breach** (as that term is defined in Section 26WE of the Privacy Act) in relation to the Protected Information or is otherwise aware that there are reasonable grounds to believe that the relevant circumstances amount to an **eligible data breach** in relation to the Protected Information (in either event, being an "**Incident**"), the Company may notify the Housing Provider of the Incident, including by providing any relevant details relating to the

Incident, and the Housing Provider must comply with its obligation in relation to the Incident and provide timely reports to the Company in that respect;

- (c) the Housing Provider will assume all obligations in relation to an *eligible data breach* concerning the Protected Information for the purposes of Part IIIC of the Privacy Act and any other obligations that may arise under the Privacy Act and the general law concerning the Protected Information, and the Housing Provider's obligations under clause 9.4(a) and this clause 9.4(c) apply regardless of whether the Company may have any similar or equivalent obligations under the Privacy Act;
- (d) the Company will provide the Housing Provider with reasonable assistance and cooperation to assist the Housing Provider's compliance with clauses 9.4(a) to 9.4(c) above;
- (e) the Housing Provider is taken to hold, and is treated as holding, the Protected Information for the purposes of the Privacy Act; and
- (f) *Notwithstanding* clauses 9.4(a) to 9.4(c) above, the Company may at its sole discretion decide to assume all of the obligations in relation to the *eligible data breach* for the purposes of Part IIIC of the Privacy Act and any other obligations that may arise under the Privacy Act and / or the general law and in which case the Company will notify the Housing Provider in writing of its decision. The Housing Provider agrees to use all reasonable endeavours to assist and co-operate with the Company in the discharge of the Company's obligations under this clause 9.4(f) including providing information, taking steps or undertaking acts that may be reasonably required by the Company to meet these obligations.

Confidentiality

- 9.5 The Housing Provider agrees at all times during and for so long as is legally permissible after the Term to keep confidential the Confidential Information of the Company and will not disclose or discuss the same without the prior written approval of the Company, except:
- (a) as specifically provided by these Terms;
 - (b) to the extent permitted or required by law;
 - (c) to the extent required to perform any of the Housing Provider's obligations under these Terms;
 - (d) to the extent required to instruct Housing Provider's professional advisers in relation to the preparation, completion and performance of these Terms;
 - (e) where the information is or becomes public knowledge, but not if it is because the Housing Provider has contravened a confidentiality obligation under this clause 9.5, and such public knowledge is notified and agreed in writing by the Company;
 - (f) where the information was known to the Housing Provider before the date of these Terms and such prior knowledge is notified and agreed in writing between the parties; or
 - (g) where the information becomes known to the Housing Provider after the commencement of the Term other than as the result of a breach of duty of confidentiality to the Company and such subsequent knowledge is notified and agreed in writing between the parties.
- 9.6 The Housing Provider must not sell, transfer, assign or otherwise dispose of or grant any licence in relation to any Confidential Information or make available copies (whether by photocopying, photographic reproduction or by electronically recorded data) of any Confidential Information to any person other than with the prior written consent of the Company.

10. Warranties

- 10.1 The Housing Provider hereby warrants, represents and undertakes to the Company that it:
- (a) is aware that it is the Company's intention that the Website only has Listings of Affordable Rental Housing;
 - (b) will not knowingly or negligently have a Listing at a rent that is not at least 20% below market rent;
 - (c) has the full right, power and authority to enter into and perform these Terms and to grant and license all rights and benefits hereby granted and licensed to the Company;
 - (d) will not do anything which violates or infringes the rights, title or interest, including the Intellectual Property Rights, of the Company;
 - (e) will not do anything which may embarrass the Company or bring the Company into disrepute; and
 - (f) will comply with any laws, regulations, standards and guidelines applicable to the provision or use of the Service as the case may be.

11. Limitation of Liability

- 11.1 To the maximum extent permitted by law, the Service is provided "as is" and all express or implied representations, conditions, statutory guarantees, warranties and provisions (whether based on statute, common law or otherwise) that are not expressly contained in these Terms are excluded.
- 11.2 Due to the nature of the Service, the Company cannot warrant or guarantee that the Service will be free from interruption, downtime or error, including downtime caused by scheduled maintenance of any equipment or software, or Harmful Effects. To the extent there is such an interruption, downtime or error, the Housing Provider's sole remedy is, where appropriate, for the Company to rectify the error, investigate and introduce (if reasonable in the circumstances) measures to prevent

the occurrence of such an interruption, downtime or error in the future and/or provide the Housing Provider with one or more solutions regarding the prevention or mitigation of the effects of such interruption, downtime or error (whether occurring in the past, present or future).

- 11.3 Subject to clauses 11.4 to 11.7 **Error! Reference source not found.** below, to the maximum extent permitted by law, the liability of the Company to the Housing Provider for all claims under, arising from, or in relation to a term or condition in these Terms or its subject matter, regardless of form of action, whether in contract, tort (including negligence), under product liability and consumer protection legislation, under any other statute or regulation, breach of warranty or other legal or equitable grounds (including in each case negligence) ("**Claims**"), shall be limited as follows:
- (a) the maximum aggregate liability shall under no circumstances exceed the Service Fees paid by the Housing Provider in the twelve (12) months leading up to the date on which the relevant Claim first accrues; and
 - (b) despite sub-paragraph (a) above, in relation to Claims arising in respect of the Housing Provider Data, including the loss, damage or corruption of the Housing Provider Data: the only liability of the Company shall be, at the Company's election, to reconstruct or recover the relevant Housing Provider Data (or so much of it as possible in the circumstances), to provide a copy of the relevant Housing Provider Data to the Housing Provider, to pay to the Housing Provider the reasonable costs required to recover or reconstruct (but not to re-collect) the relevant Housing Provider Data and/or a combination of the aforementioned matters.
